If someone has a particular capacity, a capacity for something, or a capacity to do something, they have the qualities required to do it. Capacity is a more formal word than ability.

The capacity of something such as a factory, industry, or region is the quantity of things that it can produce or deliver with the equipment or resources that are available.

The capacity of a building, place, or vehicle is the number of people or things that it can hold. If a place is filled to capacity, it is as full as it can possibly be.

The meaning of CAPACITY is legal competency or fitness. How to use capacity in a sentence.
