Why do you need a switchgear manufacturer?

When it comes to protecting and powering your electrical distribution systems, having the right equipment is crucial. As a leading provider of switchgear manufacturing services, we offer best-in-class components and expert solutions designed to help you optimize your supply chain and minimize downtime.

Who is a switchgear distributor?

Distributor of switchgear for government institutions, hospitals and health care facilities, manufacturing plants, universities, municipalities, retail stores and residences. Battery testing and charging, field service troubleshooting, diagnostics, repair and preventative maintenance services are also provided.

What is a custom manufactured switchgear?

Our custom manufactured switchgear solutions are designed to meet companies' specific power distribution equipment needs, and we are known as the preferred choice among custom switchgear manufacturers. We offer a wide range of stainless-steel, metal-enclosed, and metal-clad switchgear, as well as switchboards ranging from 208V to 38kV.
