Are autarq solar roof tiles bonded?

During production, Autarq solar modules are bonded inseparably with original roof tiles. We only use roof tiles from renowned manufacturers: That makes Autarq solar roof tiles just as durable as regular tiles. With a 25-year performance guarantee, an Autarq solar roof will generate clean energy to supply your home for the next generation.

Are autarq solar roof tiles aesthetic?

Aesthetic. Get the look and the function. Autarq solar roof tiles look just like regular roof tiles and integrate seamlessly into the design of your roof. Good to know: The weight of our solar roof tiles is similar to that of the original tiles, so the roof's load-bearing capacity is not affected. Explore the options. Durable.

What do autarq solar roof tiles look like?

Autarq solar roof tiles look just like regular roof tiles and integrate seamlessly into the design of your roof. Good to know: The weight of our solar roof tiles is similar to that of the original tiles, so the roof's load-bearing capacity is not affected. Explore the options. Durable. 25 years of performance, guaranteed.

Why should you choose autarq solar roof tiles?

Autarq solar roof tiles maintain at least 80 % of their original power output after 25 years of service. High quality. Trust tried-and-tested materials. We use the same high-quality materials that have proven themselves millions of times over in conventional solar modules. All components are UV and weather resistant, non-toxic and recyclable.
