The implementation of Ghana's energy transition framework commenced with the establishment of the National Energy Transition Implementation Committee, and the National ...

Developments in Government Policy/Strategy/Approach
Developments in Legislation Or Regulation
Judicial Decisions, Court Judgments, Results of Public Enquiries
Launch of the National Energy Transition Investment Plan
As we reported last year, the President launched Ghana's National Energy Transition Framework, developed by the National Energy Transition Committee, in November 2022. This was the first policy framework formulated with the specific net-zero target in mind. The National Energy Tran...
Ghana Nuclear Power Programme
Last year, we reported that Ghana had formally entered Phase 2 of its Nuclear Power Programme. This followed two years after the Integrated Nuclear Infrastructure Review ("INIR") Mission, along with follow-up missions in January 2017 and October 2019. The INIR Mission inv...
