In this guide, we'll show you the brightest picks of the year, how to choose the right ones for your space, and why your garden (and your wallet) will thank you.

How We Tested The Outdoor Solar Lights  
What to Look For in Outdoor Solar Lights  
Why Trust The Spruce?  
Over the last few years, we've tested 62 different outdoor lights, including over 30 solar-powered options. After testing in our lab or at one of our own homes across the country, each light was evaluated on ease of assembly, brightness, features, design, value, and durability.

1. Ease of assembly: We set up a timer and assembled each light accordi...
