The solution is equipped with a 110V/220V/230V AC power supply and a 220V DC power supply, which fills the gap between the traditional UPS power supply and common 5600W pure sine ...

The 800W modified sine wave inverter, converting 48VDC to 220VAC with ...

With no fumes, fuel or excess noise, it's an excellent ...

AETES Industrial Inverter Models. Rackmount and Tower Models for Heavy Duty Industrial Applications.

With no fumes, fuel or excess noise, it's an excellent alternative to generator power. It's operable in single-phase mode or three-phase mode for high-capacity industrial ...

The company customizes PCBA products such as interpreters, BMS, GPS, MPPT, inverters, EV Charger/EV charging station etc., which have been recognized by multiple customers and ...

Model List: Quickly find a model that matches your needs, please feel free to contact us!

Check each product page for other buying options. Price and other details may vary based on product size and color. This product has sustainability features recognized by trusted ...

It transforms 48V DC (direct current) into 220V AC (alternating current).

The 800W modified sine wave inverter, converting 48VDC to 220VAC with an output power of 800W and a peak power of 1600W, this inverter efficiently converts DC power from a 48V ...

This modified sine wave inverter outputs 110V/220V AC 50Hz/60Hz, comes with durable housing and temperature-controlled cooling fan, excellent quality and high stability.

This is a multifunctional 230V off grid solar inverter, integrated with a MPPT solar charge controller, a high frequency pure sine wave inverter and a UPS function module in one ...

Industrial frequency inverter 48v to 220v
