Are our lithium-ion batteries EU compliant?

In accordance with battery regulation (EU) 2023/1542, our lithium-ion batteries come with the EU Declaration of Conformity regarding battery performance and durability and the Product Data Sheet and Safe Handling information to support transparency, safe handling and regulatory compliance for our battery-containing products.

Where can I buy lithium forklift batteries?

You can send an enquiry through the BSLBATT website or purchase lithium forklift batteries through our global network of distributors. BSLBATT has 118 distributors and after-sales service centres in the USA, Europe, South Africa, Mexico, Brazil, Japan, and Australia, providing 24/7 technical support to ensure seamless operation.

What is a solar battery system?

The SonnenBatterie is a smart, modular home lithium battery system. It uses cobalt-free lithium iron phosphate technology. The system updates automatically over the internet. Its app shows real-time power production and usage. When sunlight is strong, it stores energy automatically.

Is a forklift lithium battery maintenance free?

Unlike conventional batteries, forklift lithium battery is completely maintenance free. It does not require water refilling, equalisation charging or regular maintenance, thus saving labour and operating costs. How long does it take to charge a forklift lithium battery?

With our expertise in battery technology and deep understanding of the unique requirements of forklift applications, we offer customized forklift battery cell solutions to meet your specific needs.

As the logistics and warehousing industry continues to grow in Spain, businesses are looking for ways to increase efficiency, reduce operating costs, and meet environmental ...

With our expertise in battery technology and deep understanding of the unique requirements of forklift applications, we offer customized forklift ...

With the rapid development of the battery industry in Spain, the top 10 battery manufacturers in Spain not only set the benchmark in terms of ...
